POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

A 2011-38

Dear Ladies and Gentlemen:

I am writing this as an appeal to the process of discontinuing postal service in the City of Masonville, Iowa because of the postmaster that left not being replaced.

I want the post office to remain open so that I can have person to person interaction when I pick up my, drop off mail and to buy postage.

I think you are doing a great disservice to small communities because all you look at is the money not the people that will be affected.

I again am writing this as an appeal to the process of discontinuing postal service in the City of Masonville.

Thank you for your attention to my letter.

Dear Postal Regulatory Commission:

I do not want the Masonville, Iowa post office to be closed because of a vacant postmaster position. I think there has been sufficient time on your part to find and hire a postmaster for Masonville.

I appeal your determination made and feel that it will have an adverse affect on my community.

To Whom it May Concern:

There was on July 5, 2011 a Final Determination to Close the Masonville, IA Post Office and Continue To Provide Service by Rural Route Service packet of papers placed in the Masonville Post Office with a Document Number 1372105-50654

I appeal this determination and want a postmaster hired for the Masonville, Iowa Post Office.

I do not want the post office in Masonville, Iowa closed.

To Whom it May Concern:

I want the vacant postmaster position in Masonville, Iowa to be filled. Because you have not filled or tried to fill that position, I appeal the process of discontinuing postal service in Masonville because of that vacant position.

I feel that you should make cuts elsewhere to save money. Maybe a better alternative to look at would be to stop delivery of mail on Saturday nationwide. I would see that as more of a money saver than closing small town post offices.

Thank you

This is an appeal to your final determination. Please reconsider your decision and make the right one. The Masonville Post Office should remain open and operational as it has been for many years. Why can't the post office in Winthrop be closed and the Masonville Post Office take over their services and provide mail and office hours to their residents. If the bottom line is that you want to save money, that would be more cost effective. The rent for the building in Masonville is substantially less and the Masonville Postal worker is much more reliable and friendly.

I appeal your decision and ask that you reconsider the determination to close the Masonville Post Office.

I appeal your final determination to close the Masonville, Iowa Post Office and continue to provide service by Rural Route Service.

There has been no replacement of the postmaster that was promoted and I think a replacement should be found.

I have lived in Masonville for many years and feel that it is a terrible thing you are doing by closing our post office. I enjoy going to the post office to pick up my mail, drop off mail and buying postage from LuAnn. I do not want the post office closed.

It is my understanding that I can appeal your final determination to discontinue the postal office in Masonville, Iowa and I so invoke that right. I think you should seek to find a permanent postmaster and leave our post office open.

Thank you.

To Whom it May Concern:

I am writing this to appeal the final determination to close the Masonville, IA post office and provide delivery and retail service by rural route service under the administrative responsibility of the Winthrop Post Office located nine miles away.

I want the postmaster position filled in Masonville, Iowa and I want the post office to stay open. I do not want rural delivery.

Thank You.
